SUBJECT: SEEKING HIGH-LEVEL ATTENDANCE AT AD HOC LIAISON  
COMMITTEE MEETING, SEPTEMBER 24, NEW YORK

REF: SECSTATE 128326

11. We delivered reftel demarche on September 14 to Timur Zabiroy of the MFA Middle East and North Africa Department. Zabiroy said that the GOR appreciated that the Secretary's attendance at the AHLIC demonstrates U.S. support for the Palestinian Authority and that a suitably high-level official would head the Russian delegation. The MFA could not confirm whether FM Lavrov would attend as he is currently out of the country.
